1	Please share the following information for us to prepare an accurate bid:- 1. Existing Powerhouse Drawings (GAD) and SLD. 2. Existing Equipment's Drawings (Runner, casing, shaft, shaft seal, MIV etc.) 3. Provide the Cross section of turbine unit	As per bid document, the bidder shall collect data during their site visit.
2	We wish to inform you that we are very much interested to participate in this tender but due to the 3rd wave of COVID-19 Pandemic and increase in cases of Omicron Virus, we require some more time to prepare the "Pre bid queries" and "Complete bid" ready for submission. Therefore, we request you to kindly extend the date of "Pre bid meeting" and "Bid submission" further for 01 month from current date of submission.	Both Pre bid meeting date and last date of bid submission were extended. Further extension may not be possible.
