Dated 29<sup>th</sup> June 2018

**MINUTES OF MEETING FOR THE OPENING OF TECHNO-COMMERCIAL BID OF GRID CONNECTED SOLAR PV SYSTEM UNDER IPDS SCHEME HELD ON 28.06.2018 at 3.00 PM in the CE (Dist) Chamber, MePDCL.**

Members Present: List enclosed in **Annexure A**.

The Chief Engineer (Distribution), Chairman, Technical Evaluation Committee, welcomed all the members and the representative of the Bidders present in the meeting for opening of the techno-commercial Bids of Grid connected Solar PV System under IPDS scheme. A total of 4 (four) Bids were received in the e-tendering portal from the following Bidders:

1. M/s T&T Project Ltd, Guwahati. 781001
2. M/s Satnam Global Infraprojects Ltd. New Delhi.
3. M/s Samved Energy System Pvt Ltd, Pune
4. M/s Aditi Solar Pvt Ltd, Hydrabad.

During opening of the Techno-Commercial bids, the representative of M/s T&T Project Ltd, Guwahati, M/s Satnam Global Infraprojects Ltd. New Delhi, and M/s Samved Energy System Pvt Ltd, Pune, raised objection regarding the late receipt of the Hardcopy of Techno-Commercial Bid of M/s Aditi Solar Pvt Ltd, Hydrabad.

Based on the objection raised, the TEC had a thorough discussion regarding the process of e-tendering vis-a-vis the hardcopy submission process. The TEC highlighted the previous tender example, where re-tendering was done due to non submission of documents in e-tender portal, even though the hardcopy were received from M/s Satnam Global Ltd before the opening of Techno-Commercial Bids. In this instant, M/s Aditi Solar Pvt Ltd, Hydrabad, has submitted all necessary documents in the e-tendering portal before closing time, while the Techno-Commercial hardcopy were received before the opening of Techno-Commercial Bid.

The above facts were placed before the representative of the above mentioned Bidders for consideration. The Bidders were also informed that in case the Bid of M/s Aditi Solar Pvt Ltd, Hydrabad is not allowed, re-tendering has to be resorted to. The Bidders after consultation, agreed to allow the acceptance of the Bid of M/s Aditi Solar Pvt Ltd, Hydrabad. Accordingly, the TEC decided to open all the 4 (four) Techno-Commercial Bids. The Techno-Commercial Bids were opened and it was found that all the Bids are in order. Hence, the Bids were accepted for technical evaluation.

The meeting ended with a vote of thanks from the Chair.
