Note: - 1 Company Information and Significant Accounting Policies

**A. Corporate Information of reporting entity**

The Meghalaya Energy Corporation Limited (MeECL) was incorporated under the erstwhile Companies Act, 1956 on 14.09.2009. The company was entitled to commence business according to the Certificate for Commencement of Business issued by the Registrar of Companies, Meghalaya w.e.f. 27.11.2009. The authorized share capital of the company is INR 30,00,00,00,000 (Rupees Three Thousand Crores) divided into 3,00,00,00,000 (Three Hundred Crores) Equity Shares of INR 10 (Rupees Ten) each. The Company is a Government Company within the meaning of sub-section 45 of Section 2 of The Companies Act, 2013 and the entire Paid-up Equity Share Capital is held by the Government of Meghalaya except shares allotted to the Signatories of the Memorandum of Association of the Company.

**B. Basis of preparation and presentation**

**i. Statement of Compliance**

These financial statements comply with all the material aspects of the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and subsequent amendments thereto, the Companies Act, 1956 (to the extent notified and applicable), applicable provisions of the Companies Act, 2013, and the provisions of the Electricity Act, 2003 to the extent applicable.

**ii. Basis of Measurement**

These financial statements are prepared on the accounting principles of going concern on accrual basis of accounting, under historical cost convention except for certain financial instruments which are measured at fair value.

**iii. Functional and presentation currency**

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded off to the nearest lakh (upto two decimals) except as stated otherwise.

**iv. Current and non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

**a) An asset is current when it is:**

- Expected to be realized or intended to be sold or consumed in the normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

**b) A liability is current when:**

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

v. Use of estimates and judgment

The presentation of Financial Statements requires certain estimates and assumptions. These estimates and assumptions affect the reported amount of assets and liabilities on the last date of the financial year and the reported amount of revenues and expenses during the reporting period. Estimates and judgments are evaluated on regular intervals. They are based on historical factors and include expectations of future events that may have a financial impact on the company and are believed to be reasonable under the present circumstances. Any differences between actual results and estimates are recognized in the period in which the actual results are known, ascertained or materialized.

C. Significant accounting policies

A summary of the significant accounting policies applied in the preparation of the financial statements are given below. These accounting policies have been applied consistently to all periods presented in the financial statements.

1. Property, plant and equipment

1.1 Initial recognition and measurement

The company has adopted the costs model of recognition under Ind AS 16 to measure the Property, Plant and Equipment. Consequently all the items of property, plant and equipment are carried at cost less the accumulated depreciation and accumulated impairment losses if any. Cost includes expenditure that is directly attributable to bringing the asset to the location and the condition necessary for it to be capable of operating in the manner intended by the management.

Property, Plant and Equipment acquired for replacement of the existing assets/ components are capitalized and the corresponding replaced assets/ component removed/ retired from active use are de-recognized.

Property, Plant and Equipment of the transferred undertaking of the erstwhile Meghalaya State Electricity Board (MeSEB) are stated as specified in notification No.POWER-79/2009/290 dated 31st March 2010 issued by the Government of Meghalaya notifying "The Meghalaya Power Sector Reforms Transfer Scheme 2010," as amended.

In case of Property, Plant and Equipment for new projects, extensions, renovation or modernization, the related expenses and interest costs up to the date of commissioning, attributable to the same, are capitalised.

On transition to Ind AS, the company had elected during the Financial Year 2016-17 to continue with the carrying value of its property, plant and equipment recognized as at 1<sup>st</sup> of April, 2015 measured as per the previous GAAP and used that carrying value as the deemed cost of the property, plant and equipment for furtherance of recognition and presentation thereon.

The present value of the expected cost for the decommissioning of the asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

1.2 Subsequent costs

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The costs of the day-to-day servicing of property, plant and equipment are recognized in profit or loss as incurred.

### 1.3 De-recognition

Property, plant and equipment are derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of the property, plant and equipment and are recognized in the statement of profit and loss.

### 1.4 Spare Parts

Spare parts procured along with the Plant & Machinery or which subsequently meets the recognition criteria of Property, Plant and Equipment are capitalised and added in the carrying amount of such item. The carrying amount of spare parts that are replaced is derecognized when no future economic benefits are expected from their use or upon disposal. Other machinery spares are treated as "stores & spares" forming part of the inventory.

Inventories earmarked for Capital Work-in-Progress acquired by the Central Store are initially recognized at cost, computed as Ex-works price plus freight, insurances and applicable taxes.

Issuance of inventories earmarked for Capital Work-in-Progress to underlying units or projects, is made at an Issue Rate which is the approved tender or quotation rate applicable as on the date of such issue. In addition to the Issue Rate, the Central Store charges the concerned underlying unit @ 7.5% towards storage and handling of inventory.

## 2. Investment properties:

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable, borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably.

An investment property is de-recognised upon disposal or when the investment property is permanently withdrawn from its current use and no future economic benefits are expected from the disposal. Any gain or loss arising on de-recognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is de-recognised. Investment properties, other than free hold land, are depreciated using straight line method over their estimated useful lives.

## 3. Intangible assets and intangible assets under development:

An intangible asset is recognised if and only if it is probable that the expected future economic benefits that are attributable to the asset will flow to the Company and the cost of the asset can be measured reliably.

Intangible assets that are acquired by the Company, which have finite useful lives, are recognised at cost. Subsequent measurement is done at cost less the accumulated amortisation and accumulated impairment losses. Cost includes any directly attributable incidental expenses necessary to make the assets ready for its intended use. Expenditure incurred which is eligible for capitalization under intangible assets are carried as intangible assets under development till they are ready for their intended use.

4. Capital work-in-progress:

Cost of materials consumed, erection charges and the incidental expenses incurred for a project or capital asset pending capitalization is shown as Capital Work-in-Progress (CWIP) till the capitalization of the concerned project or asset.

In case of Capital Work-in-Progress (CWIP) for works against deposits or works contracts where the final settlement of bills with contractors are yet to be effected, capitalization is done on provisional basis subject to necessary adjustments in the year of final settlement.

Claims for price variation or exchange rate variation in case of capital contracts are accounted for on acceptance thereof by the Company.

The costs incurred and revenues generated during the Trial Run Stages of Projects of Power Stations are capitalized. The cost of self-constructed assets includes the cost of materials & direct labour, any other costs directly attributable to bringing the assets to the location and the conditions necessary for it to be capable of operating in the manner intended by the management, and borrowing costs.

A portion of overhead expenses of Corporate Office and Site Office determined on rational basis is allocated to the project, pro-rata to their capital expenditure for the reporting period and the same are apportioned to respective Capital Work-in-Progress (CWIP) accounts on the basis of accretion thereto.

5. Depreciation/amortization:

The rates of depreciation or amortization and estimated useful life thereon as prescribed by the Central Electricity Regulatory Commission (CERC) for the purpose of tariff, are being followed by the company.

With effect from 1 April 2014, Schedule II of the Companies Act, 2013 has been notified and in accordance with part B of Schedule II, the rate and useful life given in the CERC regulation are applied for computing depreciation on assets. However, in case of assets where no useful life is prescribed in the CERC regulations, the useful life and residual value as given in part C of Schedule II of the Companies Act, 2013 is adopted.

In line with the above point, computer software and other intangible assets, if any, are categorised under Property, Plant and Equipment and depreciated thereby as per CERC norms.

Major overhaul and inspection costs which have been capitalised are depreciated over the period until the next scheduled outage or actual major inspection/overhaul, whichever is earlier.

Depreciation on the assets of the business is charged on straight line method following the rates and methodology notified by the CERC up to 90% of the original cost of assets after taking 10% as residual value as referred to below:

Asset Group	Rate
Buildings	3.34%
Hydraulic Works	5.28%
Others Civil Works	3.34%
Plant and Machinery	5.28%
Lines and Cable Network	5.28%
Vehicles	9.50%
Furniture and Fixtures	6.33%
Office Equipment	6.33%
Computer and Accessories	15.00%

**6. Non-current Asset held for Sale:**

The Company has classified a non-current asset (or disposal group) as held for sale if its carrying amount will be recovered principally through a sale transaction rather than through continuing use. The Company has measured a non-current asset (or disposal group) classified as held for sale at the lower of its carrying amount and fair value less the cost to sell.

**7. Inventories:**

Inventories of Operational and Maintenance Stock acquired by the Central Store are initially recognized at cost, computed as Ex-works price plus freight, insurances and applicable taxes.

Issuance of Operational and Maintenance Stock to underlying units is made at an Issue Rate which is the approved tender or quotation rate applicable as on the date of such issue. In addition to the Issue Rate, the Central Store charges the concerned underlying unit @ 7.5% towards storage and handling of inventory.

**8. Borrowing costs:**

Borrowing costs that are directly attributable to the acquisition, construction/exploration/ development or erection of qualifying assets are capitalized as part of cost of such asset until such time the assets are substantially ready for their intended use.

Qualifying assets are assets which take a substantial period of time to get ready for their intended use or sale.

When the Company borrows funds specifically for the purpose of obtaining a qualifying asset, the borrowing costs incurred are capitalized. When the Company borrows funds generally and uses them for the purpose of obtaining a qualifying asset, the capitalization of the borrowing costs is computed based on the weighted average costs of general borrowing that are outstanding during the period and used for the acquisition, construction/exploration or erection of the qualifying asset.

Capitalization of borrowing costs ceases when substantially all the activities necessary to prepare the qualifying assets for their intended uses are complete. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Income earned on temporary investment of the borrowings pending their expenditure on the qualifying assets is deducted from the borrowing costs eligible for capitalization.

Other borrowing costs are recognized as an expense in the year in which they are incurred.

**9. Cash and cash equivalents:**

Cash and cash equivalents in the balance sheet comprise cash-on-hand, Cash-at-bank and liquid term deposits (with an original maturity of three months or less from the date of acquisition), which are subject to an insignificant risk of change in value.

**10. Government Grants:**

- a) Government grants received are recognized when there is reasonable assurance that the Company will comply with the conditions associated with the grant. Government Grants are classified as capital assets and revenue based on the nature of the grant.
- b) Grants and Subsidies received for specific assets (property, plant and equipment) are disclosed as 'Grants and Subsidies' (Deferred Incomes) on the Liabilities side of the Balance Sheet as a separate line item. They

are amortized in proportion to depreciation on related assets (thereby, amortized based on the expected lives of the related assets), and presented within 'Other Income'.

- c) The related assets herein primarily include Plant and Equipment, Hydraulic Works, Lines and Cable Networks. Since the rates of depreciation as prescribed by the Central Electricity Regulatory Commission (CERC) for the purpose of tariff are being followed by the Company, the same are being used for amortization of such related assets as well.
- d) The rate so arrived at is 5.28% as per the CERC guidelines for the related assets mentioned. As seen from the operations during previous years, the creation of assets against capital grants received during the period generally take more than a year for completion. The same are thereby booked under capital work-in-progress. Hence, grants and subsidies have been amortized at 5.28% of their opening balance for the reporting period.
- e) Grants and Subsidies on Revenue Accounts are disclosed separately as Income in the Statement of Profit & Loss.

#### **11. Provisions, contingent liabilities and contingent asset:**

A provision is recognized when the company has a present obligation (Legal or Constructive) as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made.

Contingent liabilities are not recognized but disclosed in Notes when the company has possible obligation due to past events and existence of the obligation depends upon occurrence or non-occurrence of future events not wholly within the control of the company.

Contingent liabilities are assessed continuously to determine whether outflow of economic resources have become probable. If the outflow becomes probable then relative provision is recognized in the financial statements.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. Contingent assets are not recognised but disclosed only when an inflow of economic benefits is probable.

#### **12. Foreign currency transactions:**

- a) Items used in the financial statements of the company are measured using the currency of the primary economic environment in which the entity operates, i.e., the functional currency. The functional and presentation currency for the company is Indian Rupee (INR).
- b) Foreign currency transactions, if any, are translated into the functional currency using the exchange rates on the date of such transactions.
- c) The exchange difference arising out of transactions through foreign currencies is recognised in the Statement of Profit & Loss.
- d) Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange on the reporting date.

**13. Leases:**

- A Lease is classified as a finance lease if it transfers substantially all the risks and rewards incidental to ownership. A lease is classified as an operating lease if it does not transfer substantially all the risks and rewards incidental to ownership.

**As a lessee**

- Finance leases are capitalised on the lease's inception date at the lower of fair value of the leased property or at the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.
- Operating lease payments are charged to the profit or loss on a straight-line basis over the lease term.

**As a lessor**

- Lease income from operating leases is recognized as income on a straight-line basis over the lease term of the relevant lease.

**14. Revenue from Operations:**

- a) Revenue is measured based on the consideration that is specified in a contract with a customer or is expected to be received in exchange for the products or services and excludes amounts collected on behalf of third parties. The Company recognises revenue when (or as) the performance obligation is satisfied, which typically occurs when (or as) control over the products or services is transferred to a customer.
- b) Contract modifications are accounted for when additions, deletions or changes are approved either to the contract scope or contract price. The accounting for modifications of contracts involves assessing whether the services added to an existing contract are distinct and whether the pricing is at the standalone selling price. Services added that are not distinct are accounted for on a cumulative catch up basis, while those that are distinct are accounted for prospectively, either as a separate contract, if the additional services are priced at the standalone selling price, or as a termination of the existing contract and creation of a new contract if not priced at the standalone selling price.
- c) The Company has been incorporated with the objectives of acting as a Holding company of the Distribution, Generation and Transmission utilities and for co-ordination and smooth functioning by providing ancillary services to the subsidiaries as defined in "The Meghalaya Power Sector Reforms Transfer Scheme 2010". With effect from 1st April, 2012, the activities of 'distribution of power', 'generation of power' and 'transmission of power' of the company have been transferred to the respective subsidiaries, namely., Meghalaya Power Generation Corporation Limited (MePGCL), the generation utility, Meghalaya Power Transmission Corporation Limited (MePTCL), the transmission utility and Meghalaya Power Distribution Corporation Limited (MePDCL), the distribution utility, respectively.
- d) Other Income:
  - i. Income from sale of scrap, fees, penalties, training fees and miscellaneous receipts are accounted for on the basis of actual realisation.
  - ii. Interest incomes on term deposits and those from loans given to related parties when no significant uncertainty as to measurability or collectability exist, on a time proportion basis taking into account the amount outstanding and the applicable interest rate, using the effective interest rate method (EIR). Interest incomes other than that on term deposits and loan given to related parties are accounted for on actual realisation basis.
  - iii. Profit on sale of mutual funds are accounted as per Ind AS 109.

- iv Dividend income is recognised in profit or loss only when the right to receive is established. It is probable that the economic benefits associated with the dividend will flow to the Company and the amount of the dividend can be measured reliably
- v Other incomes (unless mentioned above) are recognised on accrual basis except when ultimate realisation of such incomes are uncertain or details are not readily available

#### 15. Expenditure:

The Company has classified expenses recognised in profit or loss based on the nature of expense method. Expenses shown under employee benefit costs (including allocation from the Holding Company- Meghalaya Energy Corporation Limited), depreciation, finance costs and other expenses are recognized on accrual. The aforesaid expenses are disclosed as separate line items in the financial statements as well.

Item of income or expenditure are disclosed separately if it exceeds one percent of the revenue from operations or Rs. 10,00,000, whichever is higher.

#### 16. Employee benefits:

Employee benefits include inter alia wages and salaries, General Provident Fund (GPF), gratuity, Contributory Pension Scheme (CPS), leave encashment and post-employment medical benefits. Moreover, in accordance with "The Meghalaya Government Power Sector Reforms Transfer Scheme 2010," the subsidiaries of the company have all their employees on deputation from the company.

The expenses relating to terminal benefits of employees comprising of provident fund, pension, Contributory Pension Scheme (CPS), gratuity, leave encashment etc. during the reporting period have been taken into consideration on the basis of allocation given by the company and the same has been paid or adjusted accordingly. Thereby, the said expenses are allocated equally to the subsidiaries by the company, after retaining 10% of the same for itself.

##### • Defined Contribution Plans

The company contributes towards Contributory Pension Scheme (CPS) of the relevant employees, in addition to the contribution made by those employees towards the same. Furthermore, the employees contribute towards General Provident Fund (GPF) as well.

- a) General Provident Fund (GPF) - The contribution to the same made at the level of the subsidiaries is transferred to the Company. Thereafter, the said transferred contributions are deposited with the General Provident Fund (GPF) Trust Account of the Company.
- b) Contributory Pension Scheme (CPS) - The contribution to the same made at the level of the subsidiaries is transferred to the Company. Thereafter, the said transferred contributions are deposited with the Contributory Pension Scheme (CPS) Cell of the Company. The company has over the years invested the same in financial instruments. In the current reporting period however, it is undergoing the process of transferring the balances of the subscribers to the scheme to Pension Fund Regulatory and Development Authority (PFRDA). Settlements also are dealt with accordingly.

##### • Defined Benefit Plans

For defined benefit plans, the computation of the actual amount of pension and gratuity payment is based on the provisions of 'Meghalaya Civil Services Pension Rules' (as amended from time to time by the State Government). Besides, post-employment medical benefits are also settled by the company.

Pension: The liability of pension is accounted on the basis of demand raised by the Meghalaya Energy Corporation Limited Pension Cell (in accordance with the above computation method), by the company and its subsidiaries. Thereafter, the demand so raised is settled. The company has over the years separately invested in financial instruments for the said purpose as well.

**Gratuity:** The liability of gratuity is accounted on the basis of demand raised by Meghalaya Energy Corporation Limited Gratuity Cell (in accordance with the above computation method), by the company and its subsidiaries. Thereafter, the demand so raised is settled.

- **Other Long-Term Employee Benefits**

Leave encashment at the end of the service period in which the employee renders the related service is computed based on 'Leave Rules' adopted by Meghalaya Energy Corporation Limited (MeECL). The encashment of leave is given to the employees of the company on retirement. The company accounts for leave encashment liability on the basis of demand raised against each such employee based on the said computation method. Thereafter, the demand so raised is settled.

- **Short-Term Employee Benefits**

Short term employee benefits obligations are measured on an undiscounted basis and are expenses as the related services are provided. A liability is recognized for the amount expected to be paid under short-term employee benefits if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

## **17. Income tax:**

Income tax expense for the year represents the sum of the current tax and deferred tax. Current tax expenses is recognised in profit & loss except to the extent that it relates to items recognised directly in other comprehensive income or equity, in which case it is recognised as such.

Current tax is the expected tax payable / receivable on the taxable income / loss for the year calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding amounts used for taxation purpose.

Deferred tax liability is generally recognized for all taxable temporary differences.

Deferred tax asset is generally recognized only to the extent that it is probable that future taxable profits will be available against which the assets can be utilized. The carrying amount of deferred tax asset is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

## **18. Operating segments:**

In accordance with Ind AS 108, the operating segments used to present segment information are identified on the basis of internal reports used by the Company's Management to allocate resources to the segments and assess their performance. The Board of Directors is collectively the Company's 'Chief Operating Decision Maker' or 'CODM' within the meaning of Ind AS 108. The indicators used for internal reporting purposes may evolve in connection with performance assessment measures put in place.

The operating segments are the segments for which separate financial information is available and for which operating profit or loss amounts are evaluated regularly by the executive management in deciding how to allocate resources and in assessing performance.

**19. Prior period errors:**

Material prior period(s) errors are corrected retrospectively by restating the comparative amounts for the prior periods to the extent practicable along with change in basic and diluted earnings per share. However, if the error relates to a period prior to the comparative period, opening balances of the assets, liabilities and equity of the comparative period presented are restated.

**20. Earnings per share:**

Basic earnings per equity share are computed by dividing the net profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the financial year.

Diluted earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all diluted potential equity shares.

**21. Cash flow statement:**

In the Cash Flow Statement, cash flows are reported using the indirect method, whereby profit or loss before extraordinary items and tax is adjusted for the effects of necessary adjustments. The net inflows and/or outflows from operating, investing and financing activities of the Company are segregated based on available information.

**22. Financial instruments:**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity

**22.1 Financial assets**

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument and are initially recognised at fair value and directly attributable transaction costs towards acquisition or issue of the financial asset are added to or deducted from the fair value on initial recognition except for financial assets which are recognised at fair value through profit and loss.

Financial assets are classified as those measured at:

- Amortised cost, where the financial assets are held solely for collection of cash flows arising from payments of principal and/or interest
- Fair value through other comprehensive income (FVTOCI), where the financial assets are held not only for collection of cash flows arising from payments of principal and/or interest but also from the sale of such assets. Such assets are subsequently measured at FVOCI.
- Fair value through profit or loss (FVTPL), where the financial assets are not classified either at amortised cost or FVTOCI.

Financial assets include trade receivables, advances, security deposits, cash and cash equivalents etc and are classified for measurement at amortised cost.

Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired.

**De-recognition of Financial Assets:**

Financial assets are de-recognized when the contractual right to receive cash flows from the financial assets expires, or corporation transfers the contractual rights of such financial assets to receive the cash flows from the asset.

**22.2 Financial Liabilities**

**Initial recognition and measurement**

Financial liabilities include long and short-term loans and borrowings, bank overdrafts, other payables, eligible current and non-current liabilities.

All financial liabilities are recognised initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs.

**Subsequent measurement**

The measurement of financial liabilities depends on their classification, as described below:

**Financial liabilities at amortised cost**

After initial measurement, such financial liabilities are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance costs in the profit or loss. This category generally applies to borrowings, trade payables and other contractual liabilities.

**Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

Gains or losses on liabilities held for trading are recognised in the statement of profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/losses attributable to changes in own credit risk are recognised in OCI. These gains/losses are not subsequently transferred to profit and loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss.

**De-recognition of financial liability:**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

**Offsetting financial instruments:**

Financial assets and liabilities are offset and the net amount is included in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

**MEGHALAYA ENERGY CORPORATION LIMITED**  
**NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2022**

**Note 17 - NON CURRENT FINANCIAL LIABILITIES: OTHERS**

(Amount in lakhs)

Particulars	As at 31st March 2022	As at 31st March 2021 (Restated)
Terminal Benefits Payable	88,749.95	88,749.95
<b>Total</b>	<b>88,749.95</b>	<b>88,749.95</b>

**Note 18 - CURRENT FINANCIAL LIABILITIES: OTHERS**

(Amount in lakhs)

Particulars	As at 31st March 2022	As at 31st March 2021 (Restated)
Liabilities for Capital Supplies	4,084.87	1,957.17
Current maturities of long-term debts	1,538.96	5,161.41
Interest accrued and due	315.46	468.15
Interest payable to the Government	-	-
Staff Related Liabilities	16,397.38	13,432.56
Security deposits and Retention Moneys Payable	10,421.65	10,419.92
Liabilities for Expenses	1,067.08	715.58
Related Party Payables (Subsidiary Companies):		
Payables against Remittances of Cash and Cash Equivalents	3,939.96	3,773.58
Payables against Remittances of Fuel, Materials, Personnel and Others	-	-
Payables against Operations, Capital and Others:		
i.) Meghalaya Power Generation Corporation Limited (MePGCL)	11,638.80	1,684.04
ii.) Meghalaya Power Transmission Corporation Limited (MePTCL)	-	-
ii.) Meghalaya Power Distribution Corporation Limited (MePDCL)	3,088.64	(43.80)
iii.) Others	0.20	4.75
<b>Total</b>	<b>52,494.01</b>	<b>37,573.37</b>

Note 18.1- The corresponding liabilities over such periods against such payments had been booked both in the company's books of accounts and those of its subsidiaries respectively in tandem with the employment status of the subscribers. As a result, since the liabilities were booked in the respective companies even though the payments to PFRDA were cleared from a common pool in the Holding Company's books of accounts, a debit balance regarding the same was reflected thereon as on 31st March, 2017. Reconciliation of the same is under continual process. During the Financial Year 2021-22, the cumulative payments made to PFRDA have been worked out for the company separately, and thereafter recorded in the books of the Company. Consequently, the book balance as on 31st of March, 2022, for the Company's net liabilities regarding CPS stands at Rs. 29.44 lakhs

Note 18.2- All the liabilities towards General Provident Fund (GPF) have been transferred to the Company (Meghalaya Energy Corporation Limited, MeECL) from the Related Parties (i.e., Subsidiary Companies), as the Company holds all rights and liabilities towards settlements of dues to staffs, against GPF. The closing balance so derived, is under reconciliation.

Note 18.3- 'Liabilities for Expenses' is inclusive of a balance of Rs. 30.22 lakhs which pertains to unidentified credits in the Bank Account(s) pending head-wise identification. The same has been placed under reconciliation.

**26 Disclosure in respect of Indian Accounting Standard (Ind AS)-37 "Provisions, Contingent Liabilities and Contingent Assets":**

**26.1 Contingent Liabilities:**

**(a) Claims against the Company not acknowledged as debts:**

All the cases against the company are dealt with by the Holding Company, and treatment thereafter met out on case-to-case basis in accordance with the guidelines specified by the Holding Company. Hence, details of all such cases are enumerated in the Annexures to the Separate Financial Statements of the Holding Company and the Consolidated Financial Statements of the group thereon. The Annexures enumerate the status of pending litigations and compensation along with status of theft of electricity, and other related matters.

With regards to income tax related issues, all cases of the company are being represented by the parent company, Meghalaya Energy Corporation Limited (MeECL). However, recognition of any liability thereon pertaining to unfavourable orders or judgments shall be passed on to the company.

**26.2 Contingent Assets:**

The company has no contingent assets as on 31st March, 2022.

**27 Capital Commitments**

Requisite details of capital commitments and allied contractual obligations have not been entirely forthcoming from the underlying divisions. Thereby, ascertainment of the same is under progress.

MEGHALAYA ENERGY CORPORATION LIMITED  
NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2022

28 Disclosures in respect of Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors

- (A) As per requirements of Ind AS 8, Company has corrected Material prior period(s) errors retrospectively by restating the comparative amounts for the prior periods to the extent practicable along with change in basic and diluted earnings per share. However, if the error relates to a period prior to the comparative period, balances of the assets, liabilities and equity of the comparative period presented are restated. Immaterial prior period errors have been classified in their natural head of income and expenses. Moreover there are certain items which have been reclassified for better reflection of financial statement. The details and Impact on opening balances of previous year balances (figures for 2020-21 restated due to above prior period items and restatement) and Profit & Loss items (relevant items) is as under: -

- e. Non cash transaction: Corporate Guarantee has been given on behalf of the Company by Meghalaya Power Transmission Corporation Limited (MePTCL) for the purpose of 'Special Term Loan from Rural Electrification Corporation (REC) Limited'.

MEGHALAYA ENERGY CORPORATION LIMITED  
NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2022

38 Disclosure in respect of Indian Accounting Standard (Ind AS)-33 "Earnings Per Share(EPS)"

i) Basic EPS

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the entity by the weighted average number of Equity shares outstanding during the year.

Particulars	(Amount in lakhs)	
	For the year ended March 31, 2022	For the year ended March 31, 2021 (Restated)
Profit/ (loss) for the year, attributable to the owners of the company	(6,528.17)	(5,851.89)
Earnings used in calculation of basic earnings per share(A)	(6,528.17)	(5,851.89)
Weighted average number of ordinary shares for the purpose of basic earnings per share(B)	20,803.00	20,721.00
Basic EPS in Rs. (A/B)	(0.31)	(0.28)

ii) Diluted EPS

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the entity (after adjusting for interest on the convertible preference shares) by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

Particulars	(Amount in lakhs)	
	For the year ended March 31, 2022	For the year ended March 31, 2021 (Restated)
Profit (loss) for the year, attributable to the owners of the company	(6,528.17)	(5,851.89)
Earnings used in calculation of basic earnings per share	(6,528.17)	(5,851.89)
Profit attributable to equity holders of the owner adjusted for the effect of dilution (A)	(6,528.17)	(5,851.89)
Weighted average number of ordinary shares for the purpose of basic earnings per share	20,803.02	20,721.37
Share application money pending allotment	-	-
Weighted average number of Equity shares adjusted for the effect of dilution (B)	20,803.02	20,721.37
Diluted EPS in Rs. (A/B)	(0.31)	(0.28)

\* Since the loss per share is reduced, share application money pending allotment is Anti-Dilutive. Hence for the purpose of calculating Diluted earning per share, the same has been ignored and therefore Basic and Diluted earning per share is same.

(iii) The company does not have any preference shares, outstanding warrants, stock options, share warrants and convertible bonds for the reporting period, causing any dilution effect in addition to the computation as stated above.

39 Assets hypothecated as security

The carrying amount of assets pledged as security for current & non current borrowings are:

Value of imports on CIF Basis	-	-
Earning in Foreign Currency	-	-
Expenditure in Foreign Currency	-	-

**MEGHALAYA ENERGY CORPORATION LIMITED**  
**NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2022**

**42 Disclosure in respect of Indian Accounting standard Ind AS 2 'Inventories'**

The company act as a facilitator and for inter se co-ordination among its group companies for power sector in Meghalaya. The inventories has been held by the company as central stores for use by its group companies, therefore no amount of inventores consumed has been recognised as expense during the year in the financial statements of the holding company since the same has been consumed by the respective subsidiary company.

**43 ADDITIONAL INFORMATION**

Meghalaya Energy Corporation Limited (MeECL) (CIN:U40101ML2009SGC008374) was incorporated under the erstwhile Companies Act, 1956 on 14.09.2009. The company was entitled to commence business according to the Certificate for Commencement of Business issued by the Registrar of Companies, Meghalaya w.e.f. 27.11.2009. The authorized share capital of the company is Rs. 3000.00 lakhs divided into 300.00 lakhs Equity

- I. Shares of Rs. 10 (Rupees Ten) each. The Company is a Government Company within the meaning of Section 2(45) of the Companies Act, 2013 as the entire Paid-up Equity Share Capital is held by the Government of Meghalaya except shares allotted to the Signatories of the Memorandum of Association of the Company as nominee of Government of Meghalaya.

At the time of formation of the Company, 10 lakhs Equity shares of Rs 10.00 each were allotted to various persons being the signatories of the Memorandum of Association of the company. However, the beneficial interests for all the shares lay with the Government of Meghalaya, more specifically with His Excellency, the Governor of Meghalaya. The names of the shareholders are available in the Memorandum of Association (MoA) and the Articles of Association (AoA) issued by the Company.

- II. In exercise of the power conferred under Section 131 of the Electricity Act, 2003 the Government of Meghalaya unbundled the Meghalaya State Electricity Board (MeSEB) into four companies i.e., Meghalaya Energy Corporation Limited (MeECL), the holding company, Meghalaya Power Generation Corporation Limited (MePGCL), the generation utility, Meghalaya Power Transmission Corporation Limited (MePTCL), the transmission utility and Meghalaya Power Distribution Corporation Limited (MePDCL), the distribution utility, vide "The Meghalaya Power Sector Reforms Transfer Scheme, 2010" notified by State Government of Meghalaya vide Notification No. Power-79/2009/290 dated 31.03.2010. Subsequently through an amendment in the Transfer Scheme, the State Government transferred all the assets and liabilities of Meghalaya State Electricity Board (MeSEB) to the holding company only. The subsidiaries which comprise of the generation utility, transmission utility and distribution utility were made operational w.e.f. 01.04.2012 after re-vesting of assets and liabilities by the holding company as per Notification No. Power-79/2009/Pt-1/422 dated 29.04.2015.

- III. The company is continuing the process of getting its name transferred with regards to the various assets and liabilities transferred by it to its subsidiaries, as per the provisions of "The Meghalaya Power Sector Reforms Transfer Scheme, 2010". The charge or mortgage created against the assets of the company as securities in respect of the borrowings of the erstwhile Meghalaya State Electricity Board (MeSEB) which have been subsequently transferred to the company as on 1st April, 2010 pursuant to the aforementioned Transfer Scheme notified by the State Government continue to be valid and binding on the company.

**V. Reconciliation**

The books of accounts of the Company are reflective of certain negative balances. The reasons for the same having arisen, *inter alia*, include the following: -

- a. On occasions, negative balances have been carried over from yester years or vide Transfer Notifications during Restructure, Unbundling and/or Trifurcation as stated in Point I of this Note supra and remain subject to on-going reconciliation.
- b. Certain negative balances are subject to aggregation (i.e., recovery, payment, deduction, provisions, etc., have separate ledger heads created for the same cluster of activities).
- c. In some cases negative balances have occurred due to inaccurate grouping or classification of ledger heads in the computerised books of accounts at the levels of underlying units under the Company's hierarchy. The process of reconciliation of the same is undergoing. The reconciliation of the above shall be envisaged keeping in view both the cost-effectiveness and practical feasibility of undertaking the said reconciliation in subsequent periods.

Furthermore, certain balances of Outside Payables, Outside Receivables and Inter-unit Accounts remain subject to both confirmations from third-party or underlying units and/or subsequent reconciliations with respective third parties or underlying units. The ascertainment of the practical feasibility and cost-effectiveness of assuming the procedure is also under consideration. Thereby, figures pertaining to the said items as mentioned in financial statements are in confirmation with the books of accounts but remain subject to the said procedures.

In the light of the aforementioned bottlenecks existent during the process of preparation of financial statements, ascertainment of fair values in accordance with the relevant Indian Accounting Standards (Ind-AS) on a ledger-to-ledger basis has been rendered incapacitated. Remedial action to mitigate this problem is under process.

**MEGHALAYA ENERGY CORPORATION LIMITED**  
**NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2022**

Amongst other things, following correspondences have been struck to sort out certain such issues: -

Reference	Subject sought to be reconciled or resolved
Letter No. ACT/COMP/STOCK/2018/375/1 sent from the Accounts Section on the 13 <sup>th</sup> of April, 2018 addressed to All Drawing and Disbursing Officers of the Company	Outstanding Inventories, which have remained unadjusted in the books, with regards to: a.) Capital Stock (Work-in-Progress) b.) Operational and Maintenance Stock
Letter No. ACT/COMP/ATD-ATC/2017-18/374/1 sent from the Accounts Section on the 29 <sup>th</sup> of March, 2018 addressed to All Drawing and Disbursing Officers of the Company	Long pending Outstanding ATDs (Advice Transfer Debits) in the books of accounts.

**VI PROVISIONS**

Details of movements in provisions are as under: -

	(Amount in lakhs)	
Provision for employee benefits	As at 31st March 2022	As at 31st March 2021 (Restated)
As at the beginning of the Financial Year	244.52	244.52
Add: -Additions during the year	-	-
Add/(Less): Adjustments during the Year	-	-
<b>Total</b>	<b>244.52</b>	<b>244.52</b>
Less: Settlements during the Financial Year	-	-
<b>As at the end of the Financial Year</b>	<b>244.52</b>	<b>244.52</b>

\*During the financial year 2021-22, the company has not recorded provision for retirement benefits i.e. Gratuity, Leave Encashment or Pension as actuarial valuation has not been done. However, company has floated tender in May 2022 for appointment of actuary and provision for retirement benefits will be recorded in books of accounts after completion of the process of actuarial valuation.

**VII. Disclosures based on the Statement of Cash Flows:**

- The components of cash and cash equivalents have been reflected in the Cash Flow Statement, and the amounts of the same are in line with those presented in the Balance Sheet.
- All significant cash and cash equivalents held by the entity are available for use by it, with the exception of certain balances which are subject to reconciliation and procedural modifications in accordance with Point No. IV and V respectively of this Note.
- Separate disclosures have been made in related Notes supra in cases where cash flows have been representative of increase in operating capacity or for maintenance of operating capacity.

**VIII. Terminal Benefits**

The terminal benefit expenses comprising of pension, medical allowance, Death-cum-Retirement Gratuity and Ex-gratia payments to Company's retired employees and family pensioners and provision provided for pension, gratuity and leave encashment liabilities, contributory pension scheme etc. for existing employees during the financial year are as per the terms of "The Meghalaya Government Power Sector Reforms Transfer Scheme 2010".

Particulars	As At 31st March 2022	As At 31st March 2021
Corporation's contribution made to CPS	508.00	46.49
Terminal benefits expenses paid to pensioners/family pensioners	17,747.01	17,728.17
Payment made to Pension Contribution to Deputationists (to Departments other than the subsidiaries)	-	-

The above figures are the total expenditure incurred during the year by the Company. Out of this, 90% have been allocated (along with expenses of existing employees) to the subsidiaries in equal proportion among subsidiaries, retaining the remaining for the Company.

**IX. Receivables from Government of Meghalaya against Terminal Benefits**

The Company has receivables of Rs. 8,40,04.00 lakhs from the Government of Meghalaya against terminal benefits of retired employees, family pensioners and existing employees of Company as per the "Meghalaya Government Power Sector Reforms Transfer Scheme 2010". No provision has been made for the interest accrued on the same. Furthermore, as an interim measure, expenses relating to said terminal benefits of employees are settled from the revenues earned by the company and its subsidiaries, other than those pertaining to the Defined Contribution Plans mentioned in the Significant Accounting Policies.

- In accordance with Ind-AS 12 (Income Taxes), 'Deferred Tax Asset' has emerged on account of the above computation; however, in absence of reasonable and virtual certainty to earn future profits sufficient to set off such assets, the same has not been recognized in the accounts. In the absence of the adequate information, we are unable to calculate the amount of unrecognised amount of deferred tax.

**44 Assets under Lease**

In line with the last formal information presented by the Land Cell within the Holding Company, plots of land belonging to the group (parent and/or subsidiaries) have been taken on lease from various third parties. A summary of certain such instances is depicted hereunder: -

District	Location of the Land	Year of Acquisition	Area (in acres)
East Khasi Hills	Shillong Cantonment Road Sub-Station	1995	0.25
	NEHU Sub-Station	1986	12.3
	SE Fall Sub-Station	1995	0.25
	Bishop Cotton Road	2008	0.40
	Kench's Trace	1995	0.30
Jaintia Hills	Amlarem	2004	7.02

The Company is undertaking the process of ascertaining all such similar assets which it has taken on lease. Furthermore, the proper bifurcation of such assets amongst the respective companies within the group is also under reconciliation, which is also in consonance with Point No. IV of this Note mentioned *supra*. Besides, determination of book values against all assets on lease is an ongoing process. In light of this, under Note 1- Property Plant and Equipment, no value-wise details of 'Assets on Lease' have been provided. The implementation of requirements in accordance with relevant Ind AS' also remains subject to the same impediment and shall be undertaken in subsequent years on mitigation of the same. Letter No. ACT/COMP/INFO(SOA)/Pt-V/2020-21/350/55 dated the 07th of September, 2021 has been addressed to the Joint Secretary, MeECL, Shillong, towards furtherance of the aforesaid matter.

**45 Investment Properties**

In line with the last formal information presented by the Land Cell within the Holding Company, plots of land belonging to the group (parent and/or subsidiaries) have been given on lease to various third parties. A summary of certain such instances is depicted hereunder: -

District	Location of the Land	Year of Acquisition	Area (in square meters)
Ri-Bhoi	Umiam Hydro-electric Project	1961	713.72
		1961	600
		1961	802.45
	Kyrdemkulai & Nongmahir	1974	20234.3
	Lumpongden Island	1961	4046.86

The Company is undertaking the process of ascertaining all such similar assets which it has given on lease, and earning lease rentals thereon. Furthermore, the proper bifurcation of such assets amongst the respective companies within the group is also under reconciliation, which is also in consonance with Point No. IV of this Note mentioned *supra*. Besides, determination of book values against all such investment properties is an ongoing process. Moreover, the Notes to the Statement of Profit and Loss of the group is subject to inclusion of incomes which are of the nature of rental receipts, against unascertained investment properties. Proper bifurcation of such incomes amongst the correct companies within the group is also under reconciliation. Letter No. ACT/COMP/INFO(SOA)/Pt-V/2020-21/350/55 dated the 07th of September, 2021 has been addressed to the Joint Secretary, MeECL, Shillong, towards furtherance of the aforesaid matter.

- 46 Disclosure as per Ind AS 116 'Leases': Ind AS 116 'Leases' has become applicable on company from 1st April 2019 and the company has adopted and applied the standard to all lease contracts existing on 1st April 2019, using the modified retrospective method. Accordingly, the comparatives as at and for the year ended 31st March 2019 are not required to be restated. On the date of initial application, the company has reviewed all its lease obligations and found that all the lease obligations are with Govt. of Meghalaya and its departments and are cancellable and does not have non cancellable period. Therefore in terms of the standard, the lease liability at the present value of the remaining lease payments discounted at the incremental borrowing rate at the date of initial application and a corresponding right-of-use asset adjusted for the amount of prepaid or accrued payments on the lease was not required to be recorded in the financial statements.

In line with the last formal information presented by the Land Cell within the Holding Company, plots of land belonging to the group (parent and/or subsidiaries) have been taken on lease from various third parties. A summary of certain such instances is depicted hereunder: -

District	Location of the Land	Year of Acquisition	Area (in acres)
East Khasi Hills	Shillong Cantonment Road Sub-Station	1995	0.25
	NEHU Sub-Station	1986	12.3
	SE Fall Sub-Station	1995	0.25
	Bishop Cotton Road	2008	0.40
	Kench's Trace	1995	0.30
Jaintia Hills	Amlarem	2004	7.02

The Company is undertaking the process of ascertaining all such similar assets which it has taken on lease. Furthermore, the proper bifurcation of such assets amongst the respective companies within the group is also under reconciliation, which is also in consonance with Point No. IV of this Note mentioned *supra*. Besides, determination of book values against all assets on lease is an ongoing process. In light of this, under Note 1- Property Plant and Equipment, no value-wise details of 'Assets on Lease' have been provided. The implementation of requirements in accordance with relevant Ind AS' also remains subject to the same impediment and shall be undertaken in subsequent years on mitigation of the same. Letter No. ACT/COMP/INFO(SOA)/Pt-V/2020-21/350/55 dated the 07th of September, 2021 has been addressed to the Joint Secretary, MeECL, Shillong, towards furtherance of the aforesaid matter.
