1	SECTION 6	Page no.6	Submission of EOI	The Expression of Interest should include a brief company profile, relevant project experience, technical capabilities, detailed estimate, tentative period to complete the work, and any additional information deemed pertinent. Interested parties are welcome to visit the site before submitting their EOI at their own cost	The bidder requests to submit the detailed estimate at later stage since it would be very much not feasible at present stage as the same would require engaging design consultant and other detailing work.	This is to inform that your request to allow for submission of detailed estimate at a later stage is agreed
