- 5.3 The detailed comparison sheet of L1 rate vs Updated MM rate with IEEMA indexation shall be recorded in evaluation report as per Format-RFQ-01 enclosed.
- 5.4 Any deviation from this comparison shall require prior approval of Competent Authority as per Note 3 of Office Order.

6.0 APPROVAL BY BOARD OF DIRECTORS (As per Para 4 of Office Order)

- 6.1 Approval and recommendations of Committee along with evaluation report, comparison sheet with IEEMA, L1 rate, allotment proposal shall be placed before Board of Directors (BoD) for consideration and final decision.
- 6.2 Upon approval by the Board of Directors, MeECL approval, the Office of the Additional Chief Engineer (Material Management), MeECL, shall issue formal notification of the approved discovered L1 rate in accordance with the prescribed procedure.
- 6.3 The Board of Directors, MeECL shall have the authority to approve, modify or reject the recommendations of the Tender Committee or direct a fresh RFQ/re-tender. As deemed appropriate in the interest of the Corporation.

7.0 VALIDITY OF DISCOVERED RATE - 180 DAYS ONLY (As per Para 5 & 8 of Office Order)

- 7.1 The lowest discovered rate, upon approval by the Board of Directors (BoD), shall remain valid for a maximum period of **180 (one hundred and eighty) days from the date of issuance of the formal notification** by the Office of the Additional Chief Engineer (Material Management), MeECL.
- 7.2 Upon expiry of the aforesaid validity period, the rate shall cease to be valid for further allocation of supply opportunities, unless otherwise specifically approved by the BoD in accordance with the applicable Office Order. The prescribed rate-discovery procedure shall be undertaken periodically to establish a fresh rate, in accordance with Para 8 of the said Office Order.
- 7.3 No extension of the validity period beyond 180 days shall be permissible without the specific approval of the BoD, in accordance with Note 3 of the Office Order and the applicable provisions governing deviations.
- 7.4 Any Supply Order duly issued within the validity period of the approved discovered rate shall remain valid and binding in accordance with its terms and conditions, even where the stipulated delivery period extends beyond the expiry of the 180-day rate-validity period.
- 7.5 To ensure continuity of procurement and minimise the risk of stock-outs, the process for initiating a fresh RFQ shall be commenced at least **2 (two) months prior to the expiry** of the existing rate notification

8.0 ALLOTMENT METHODOLOGY – INITIAL ALLOCATION OF UP TO 20% TO L1, MAXIMUM 20% TO EACH OTHER ELIGIBLE BIDDER, ALLOCATION OF UNUTILISED QUANTITY TO L1, AND ROSTER-BASED ALLOTMENT FOR SUBSEQUENT QUARTERS (As per Para 6 of the Office Order dated 06.10.2026)

8.1 With a view to promoting competitive pricing and ensuring equitable distribution of the quarterly requirement among eligible registered suppliers, the allotment of quantities shall be governed by the following procedure, subject to the approval of the Board of Directors (BoD) and the applicable provisions of the Office Order:

- a) An initial allocation up to 20% of total quantity as mentioned in this RFQ shall be offered to L1 bidder at the approved discovered L1 rate.
- b) The remaining quantity, constituting up to 80% of the total requirement, shall be offered to other eligible participating bidders who agree in writing to supply the materials at the approved L1 rate. The allocation to each such bidder shall be restricted to a maximum of **20% of the total quantity** specified in the RFQ.

Example: If total quarterly quantity = 1000 Poles: L1 gets upto 200 (20%). Remaining 800 offered to other participants who accept L1 rate - Each gets max 200 (20% each). So with L1 + 4 others accepting L1 rate, total 1000 allocated.

- c) In the event of unexhausted/unallocated quantity remains due to less number of participants, non-acceptance or such other reason, unexhausted quantity shall be offered to L1 bidder in addition to the initial allocation of 20% of the total quantity.

Example: If only L1 + 2 others accept L1 rate, allocated = 200+200+200=600. Unexhausted=400. This 400 offered to L1 in addition to 20%. Final L1 gets 600, other two 200 each.

- d) Any remaining unallocated quantity shall be offered to the eligible participating bidders who agree in writing to supply at the approved L1 rate, subject to the prescribed allotment limits.

8.2 Supply Order Validity - Specific Requirement Only: Any Supply Order issued pursuant to this RFQ shall be strictly limited to the specific quarterly requirement and quantity covered under the relevant RFQ. Such Supply Order shall not be construed as applicable to, or create any entitlement in respect of, any subsequent or additional requirement of MeECL or its subsidiaries, unless otherwise specifically approved by the competent authority/Board of Directors (BoD), in accordance with Para 6, sub-paragraph 3 of the Office Order dated 06.10.2026.

8.3 The requirement for the subsequent quarter shall be offered to eligible registered suppliers on a roster basis at the approved discovered L1 rate, in accordance with Para 6, sub-paragraph 4 of the Office Order dated 06.10.2026, subject to the applicable procurement methodology and approval of the competent authority.

8.4 Allotment shall be done by the Committee and to be approved by BoD as part of recommendation as per Format- RFQ-02.
